Sendgrid Open Page:

Sendgrid login Page:

The screenshot shows the SendGrid sign-up page in a web browser. The browser's address bar displays `https://signup.sendgrid.com`. The page features the Twilio SendGrid logo at the top. Below the logo, the heading "Let's Get Started" is followed by the text "Sign up for free. No credit card required." The sign-up form includes an "Email Address" field with the value `snegapmk@gmail.com`, a checked checkbox for "Use email address as username", and a "Password" field with masked characters. A reCAPTCHA "I'm not a robot" checkbox is present, along with a link to the "Terms of Service" and "Privacy Notice". On the right side, a "Try it out!" section lists features: "Automated drip campaigns", "Password resets", "Newsletters", "Receipts", "Delivery notifications and updates", and "Promoted emails". An "Activate Windows" watermark is visible in the bottom right corner.

Sendgrid successfully created:

The screenshot displays the SendGrid dashboard for a user named Snega Ramachan. The left sidebar contains navigation links for Dashboard, Email API, Marketing, Design Library, Stats, Activity, Suppressions, Settings, and Twilio SMS. The main content area features a "Welcome, Snega!" message with instructions to follow the steps outlined below. A prominent blue banner reads "Send your first emails with Twilio SendGrid". Below this, a "Create a sender identity" guide is shown, explaining that a sender identity is the "from" email address. It offers two methods: "Create a Single Sender" (highlighted with a blue button) and "Authenticate a domain instead". An example of a sender identity is shown: "Your Business <jane.doe@your_business.com>". An "Activate Windows" watermark is also present in the bottom right corner.
